

Clinical excellence infused with compassionate care

Option Care Health is the largest independent provider of infusion therapy in the nation. For over 40 years, we've delivered cutting-edge infusion medications, nursing support and seamless transitional care for patients of all ages. Our infusion suites enable patients to receive safe and convenient infusion therapy outside of the hospital. Each of our facilities feature dedicated healthcare professionals committed to providing the highest quality of care for patients throughout the duration of their treatment.

Patients receiving treatment in an Option Care Health Infusion Suite report high rates of approval with our clinicians and services.

Here's how our patients rate us:

Experience the infusion suite difference

Option Care Health— Safe and convenient therapy administration

Receiving infusion therapy at one of our infusion suites offers significant advantages over the hospital:

- Medications administered by highly skilled registered nurses specifically trained in infusion therapy
- Recognition earned for demonstrating a higher level of performance and patient care from the Accreditation Commission for Health Care (ACHC)
- Flexible scheduling options to fit patient needs, including evenings and weekends*
- Comfortable, private or semi-private rooms with amenities such as WI-FI, TVs and light snacks
- Easily accessible, hassle-free parking on-site
- Transportation support services available in select areas

**Hours may vary by location*

Your own team of experts

A multidisciplinary approach to infusion therapy where every patient receives a disease-specific, customized care plan that addresses the needs of the patient.

Access to support services

Specially trained clinicians can answer questions about your infusion therapy—24/7/365.

Less worry about insurance

- Our patient registration team verifies insurance eligibility or benefits and may secure health plan authorization for all referred patients.
- Expertise with identifying and accessing manufacturer copay assistance and foundation programs to lessen out-of-pocket expenses for eligible patients.

Convenience

- Over 125³ Option Care Health Infusion Suite locations across the country, so you can get the same support no matter where you go.

What you can expect from us

Skill: A dedicated team of highly experienced clinicians including pharmacists, nurses, registered dietitians and clinical care transition specialists.

Expertise: Our team has the knowledge and clinical expertise to make every patient happier and healthier in every way we can.

Education: We provide “one-to-one” care and stay with patients throughout the entire course of their treatment. We also provide individual patient plans and educational programs for patients and their families to help drive compliance.

Communication: Our team will inform your doctor about your progress on a regular basis.
