

Diagnosing, Detecting and Treating Adult Malnutrition

You are invited to attend an accredited CE presentation!

This accredited continuing education course will be offered at no charge:

The purpose of this program is to help nurses, case managers, social workers and registered dietitians recognize and successfully treat adult malnutrition.

The course is followed by an evaluation and post-test, and participants passing the post-test (>80%) will earn one (1) continuing education credit hour.

Upon completion of this course, participants will be able to:

1. Define two key aspects of malnutrition
2. Describe at least two areas where malnutrition impacts clinical outcomes and healthcare costs
3. Recognize at least three causes of malnutrition
4. Identify two clinical characteristics of malnutrition
5. Implement a nutrition intervention in a malnourished patient

Presenter: This course was designed by Hi-R-Ed Online University. Hi-R-Ed has been approved as a provider of continuing education credit for social workers, nurses and dietitians and has received course approval for case managers.

If you have special needs not addressed in this flyer, please contact Option Care Health to make special arrangements.
