

option care health®

Dear Provider,

Specialty therapies can be complex, and complete information is essential to help ensure timely access to care.

The following prescriber order form is designed to capture the necessary clinical and patient information the dispensing pharmacy requires to begin the applicable prescribed therapy.

If your patient has elected to use Option Care Health, please fax completed form and required clinical documentation to **(847) 890-6257**.

Sincerely,
Option Care Health
